### **The Issue**

Shall the City Council approve the style and location of the "In God We Trust" signage to be installed in the Council Chambers?

### **Conclusion and Recommendation**

By **MOTION**, approve the style and location of the "In God We Trust" signage to be installed in the Council Chambers.

### **Background**

On October 24, 2011, the City Council approved the installation of the "In God We Trust" motto to be placed in an appropriate location in the City Council Chambers. The motion was passed by a four to zero vote with one abstention. Several local sign makers have offered to make the sign at no cost to the City.

Attached are several possible designs from sign maker John Lusty.

Possible locations are on the front of the dais or the wall in the back of the chambers.
